TRUSTEE'S REPORT

In making this, the eighth annual report of the Free Public Town Library, we are glad to state that the interest is still on the increase.

Owing to the fire and the consequent closing of the library for over three months, we have a somewhat reduced list of cards issued and of books taken out.

We are glad to be able to report that the loss and injury sustained by the fire has been made good. Books that were entirely destroyed have been replaced, nearly a hundred have been rebound, and over two hundred repaired more or less and all are back on the shelves. The whole being in as good condition as before the fire.

Less books have been purchased than usual, as no appropriation was made for that purpose, and the amount required by law to be raised is but little more than enough to pay the current expenses, which are librarian \$50.00, insurance \$18.00, carrying books to the Center \$15.00, small bills \$8.00. Total \$91.00.

We hope and trust the town will be liberal with the library this year.

We will continue to give the summer residents full privileges of the library.

We tender hearty thanks to all who have given books, pictures, etc. We recommend the example to others.

L. D. DUNBAR,
HENRY CUMINGS,
ELLA M. PATTEE.
